

My Brother Chief Petty Officer
Leading Telegraphist Frank Harold
Humble had served in the
R.A.N. for twelve years when
he was shipped in 1939
In 1940 he married Mary
Kinsella of Balnarring, and
in February 1941 his daughter
Eileen was born

He was an instructor at Henders
Naval Base and when the
crew changed on HMAS Sydney
He requested to go with his
Naval Ratings. His last letter
said that he would be returning
to Henders as he was needed
at home. The rest is
History.
